

Imperium LED High Power Lamp

The Imperium LED High Power Lamp is the ideal lamp when high output, cost and energy saving benefits of LED technology are required. With an IP65 rating this lamp is perfect for heritage applications such as Railway Stations, Bridges, Vintage Lanterns along with High Bay, Low Bay and Post Top fittings.

- Patented Remote Phosphor Activate LED Technology
- Longer lifespan as remote phosphor technology reduces temperatures and slows down the rate at which the phosphor layer degenerates
- Better color stability with longer life of phosphors
- No fan design, excellent heat dissipation solution, working temperature -30°C to +35°C
- Up to 155 Lm/W
- Less glaring than normal SMD LED lighting products, better lumen maintenance
- Surge Protection 5KV
- Up to 76% Energy Saving

Cool White

12W H 145mm Ø68mm

18W H 155mm Ø68mm

25W H 180mm Ø85mm

42W H 230mm Ø98mm

65W H 280mm Ø128mm

77W H 310mm Ø130mm

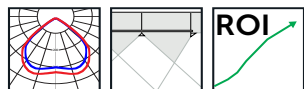

Appearance of lamp when un-illuminated

¹Exceeds EU standard of 70 for Lumens Maintenance Ratio

²Exceeds EU standard of RA 80 for Colour Rendering Index
